**CORRECTION OF APPLICANT'S
MISTAKES UNDER 37 C.F.R. § 1.323**

The following are the Applicant's mistakes. In accordance with 35 U.S.C. § 255, the following mistakes are clerical or typographical in nature and occurred in good faith. Moreover, the following corrections do not involve new matter and do not require reexamination.

In the Claims

At column 11, line 50, please replace "entrusted" with "untrusted" so that the corresponding claim reads

- 14. A computer system comprising: a processing module; a software program; and an operating system; the software program configured for running on the operating system, the operating system having a translated system call interface, the translated system call interface comprising a first set of translated system call names for disclosing to trusted parties, the translated system call interface further comprising a second set of dummy system call names untranslating system call names for trapping untrusted parties, the software program comprising:

a set of one or more instructions;

wherein the set of one or more instructions comprises one or more references to the first set of translated system call names. -

Respectfully submitted
